

MAY 16, 2020

It's time for our Annual Run with a Longhorn 5K race to raise money for the Kell High School Band Program—and it's our first year as an AJC Peachtree Road Race Qualifying Event!!!

Ways You Can Help

- We are asking each band student to register and get 2 additional friends or family to register. If every band student did this, it would raise \$10,000 - \$12,000.
- Plus, the student with the most registrations will win a pair of Air Pods!!!
- If you know somebody that owns a business, you could get them to be a sponsor for the race--and your band account receives 50% of that donation!

Register Online with the QR Code, at Active.com (Run with a Longhorn) or at Kbba.org
